विषय: Furnishing information of nonpayment of dues of Renewable energy generation by distribution companies – reg.

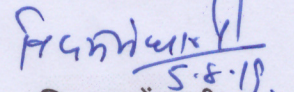

Sir,

It has been reported that some RE generating companies are not getting payment of energy supplied to distribution companies on regular basis. To monitor the position, CEA is considering to maintain the database of all outstanding dues of RE generator with distribution companies. Therefore, RE generators are required to provide the details of such dues on monthly basis to CEA. Further, RE generators are advised to give the details like name of contact person, email id and address etc. of RE plants in the format as per annex (attached), so that access to 'PRAAPTI' portal may be provided to them

Details may be sent at email: [rtd.div-cea@nic.in](mailto:rtd.div-cea@nic.in) or [ceaopmwind@gmail.com](mailto:ceaopmwind@gmail.com)

This issues with approval of Member (Planning), CEA

Yours faithfully,
