

**TANGEDCO  
ACCOUNTS BRANCH**

**Memo.No.CFC/REV/DFC/REV/AS.3/D.No. 415/18, dated.07.05.2018.**

**Sub: Elec- The Hon'ble TNERC's order dated.13.03.2018  
in review petition filed by TANGEDCO against the  
Tariff order dated.11.08.2017 with regard to  
T&D loss – Further instructions issued- Reg.**

**Ref: 1. Memo.No.CFC/REV/FC/REV/DFC/AAO/HT/D.207/  
18, dated.02.04.2018.  
2. TASMA's Representation dated.05.05.2018 and 07.05.2018.**

\*\*\*\*

**In the reference 2<sup>nd</sup> cited, Tamil Nadu Spinning Mills Association has  
stated as follows:**

**“ Due to the issuance of orders by TNERC in RP No.4 of 2017 dated  
13.03.2018, the TANGEDCO HQ has issued Working Instructions to collect the arrears  
by reworking the T&D loss percentage as modified in the Order dated 13.03.2018 of  
TNERC.**

**However, in the matter as to how the adjustment should be made,  
already our Association has made a representation to the Director Distribution under  
copy to CFC-Revenue and Director Finance of TANGEDCO as per our letter dated  
05.05.2018.**

**In continuation of the representation above cited, it is reported to  
TASMA now that in most of the Circles, the SEs/DFCs have included the T&D loss  
arrear on monetary values and they have unilaterally included the same in the CC bill  
of the HT OA consumers for April 2018 without raising any separate demand with  
working sheets as mandated under Clause 13(2) of the Tamilnadu Electricity Supply  
Code 2004. The CFC-Revenue has already clarified long back that such arrears of  
demand should be claimed only by raising separate demands and not to be included  
in the CC bills straightaway. Much contra to the provisions of the Tamilnadu  
Electricity Supply Code 2004 and also in contravention of the CFC-Revenue  
instructions dated 05.09.2013, now the CC bills have been found included with T&D  
loss arrears straightaway worked out from 11.08.2017 onwards. The SEs/DFCs have  
also adopted the same method of including the arrear amounts in respect of CPP OA  
power also. As the due dates are falling due on 07.05.2018 and so on and so forth, we  
request the CFC-Revenue to kindly advise all the SEs / DFCs to accept the CC bill  
without the component of T&D loss arrears calculated from 11.08.2017 onwards. In  
respect of the arrears of T&D loss, in case the consumers have surplus unutilized**

banked units as on 31.03.2018, the same may be considered for adjustment against the T&D loss arrears by units. In case if consumers are not having sufficient / any unutilized banked units as on 31.03.2018, a separate demand can be raised with the statement of accounts as mandated under Clause 13(2) of Tamilnadu Electricity Supply Code 2004. Since there is a great confusion prevailing among all HT OA consumers in the matter of collection of arrears of T&D losses, your instructions to be issued would help them to make the payments on CC bills alone for April 2018 instantly and effectively from 07.05.2018 onwards. ”

**2.In this connection, all the Superintending Engineers of Distribution Circles are hereby informed as follows:**

2.1. In the reference 1<sup>st</sup> cited, necessary instructions has been issued in connection with revised T&D loss based on the Hon’ble TNERC’s order dated.13.03.2018 in R.P.No.4 of 2018, accordingly, all the Superintending Engineers have been instructed to revise the Current Consumption bills from the month of 11.08.2017 by taking the revised T&D loss. In this connection, the following instructions are hereby issued to carry out revision of CC Bills.

(i). While revising the CC bills, if HT consumers/respective generators have surplus energy available in their account during the respective month/financial year, the revised T&D loss energy shall be adjusted against the unadjusted energy/surplus energy available. Similarly, if the available unadjusted energy/ surplus energy is less than the revised T&D loss units, demand for the short claim may be raised. The details of revised surplus energy available after adjusting against revised T&D loss energy may be informed to the Generating end circle.

(ii). While revising the bill during the month of 08/2017, the T&D loss in respect of all type of Captive users/HT consumers shall be made on proportionate basis on the allotted energy in that month by way of adopting old T&D loss upto 11.08.2017 and new/revised T&D loss upto end of the final reading of the HT consumer.

(iii). Further, the regulation 13(2) of TNE Supply Code specifies as follows:

**13. Servicing of bills :**

Xxx

*2. For any arrears other than the regular current consumption bill, it is the Licensee’s obligation to inform the consumer by a separate communication with details.*

Hence, all the Superintending Engineers/EDCs are hereby informed to collect the short levy arisen due to revision of CC bills, on adopting revised T&D loss from the month of 08/2017 to 03/2018, by way of issuing separate communication with details to the HT consumer in accordance with the above Regulation. While doing so,

**if the HT consumer fails to make the payment within the stipulated period mentioned in the communication, then only, the T&D loss arrears has to be included in the ensuing C.C bills.**

**3. Hence, all the Superintending Engineers of Distribution circles are hereby informed to take necessary further course of action scrupulously.**

**Sd/- 07.05.2018**
