To

ALL MEMBERS,

Dear Sir,

We bring to notice of our members that CFC- Revenue, TANGEDCO has sent a memo No. Lr.No:CFC/REV/FC/REV/AO/REV/F.Rev.Aug./ D.No.379 dt: 06.09 .2017 directing all concerned officials to re-program the meters of all HT consumers with 15 minutes time block based on TNERC Tariff Orders.

TNERC in its tariff order No. TP.No.1of 2017 dt:11.08.2017, has in the summary of Directives 7.11(s) stated that ;

“To re-programme the meters of all HT Consumers to 15-minute time block within 3 months from the date of issue of this Order and start measuring maximum demand on 15-minute time block basis and raise bills accordingly after the prescribed time period.”

Hence, the SEs and the Field Formations under the SEs will complete this work within three months. Members are requested to take note of the same. When recorded demand is getting monitored in 15 minutes time slot, they have to take care to avoid demand penalties due to non compliance.

We are enclosing herewith the communication sent by TANGEDCO for your reference and record.

With Warm Regards,

K. Ilango
Secretary
