**CIRCULAR**

To  
All Members

Sir,

Sub: CGP Verification Process – Consequent to High Court Interim Orders dated 25.04.2017 – SEs issue further notice making provisional assessment of CSS and calling for documents-Filing of reply to SEs – Regarding.

\*\*\*\*\*

In continuation to our Circulars in the above matter, members have informed us that the SEs at various Circles have started issuing provisional demand notices for Cross Subsidy Surcharge (CSS) based on the model letter provided by CFC-Revenue through her communication Memo No.CFC/REV/FC/REV AS3/F.CGP/D.349/17 dated 02.05.2017.

It is unfortunate that even before the commencement of the verification process of CGP status, the SEs have unilaterally quantified the Cross Subsidy Surcharge (CSS) on a provisional basis and started issuing notices demanding documents by notifying the CSS amounts for the years 2014-15, 2015-16 and 2016-17.

As per the earlier notice, members have to provide reply before 20.05.2017 along with the certain documents.

We also understand that all members are not placed in a common platform. Hence, depending up on the status of each member or group of members, suitable replies have to be given by each member to exactly suit the group.

To understand how members are placed in the matter of Energy Administration during the required years of 2014-15, 2015-16 and 2016-17 for which details have been called for, a the data sheet enclosed. Members are requested to send the enclosed data sheet thoroughly analysing the data provided in the sheet. Replies can be suitably drafted depending up on the status of the members.

Hence, it becomes imperative to collect the data sheet from all members who are all engaged in the OA power consumption either by their own windmills or by group captive arrangements from other CGPs.

Considering the importance, members are advised to fill up the data sheet and send it back to TECA positively before 11.00 AM on 13.05.2017.

Based on the details available in the data sheet, TECA will try to guide the members. Hence, if any member delays the submission of data sheet will cause to delay to provide such assistance. Hence, to avoid any such delays members are advised to go strictly with the time schedules. It is advisable that filing of replies to SEs need to be completed before 20.05.2017.

With Warm Regards

Encl: - Data Sheet.
