To All Members

Dear Members,

Subject: Details of Captive Power Plant Projects Whose Approvals Have Been Kept in Abeyance by TNGECL

We understand that, despite remittance of the prescribed charges towards the approved estimates for Captive Power Plants (CPPs), including Wind and Solar projects of our member industries, the approvals granted earlier by TNGECL have subsequently been kept in abeyance.

We request all such **affected members** to kindly furnish the details of their projects, along with copies of the relevant communications received from TNGECL, at the earliest. This will enable the Association to examine the issue and take up the matter with the appropriate authorities for necessary redressal.

With Warm Regards

L. Santhosh
President
