Dear Members,

Subject: Seminar on Power Trading through Power Exchange – Requesting the feedback

Dear Members,

India's leading power trading exchange company, Indian Energy Exchange (IEX), in association with the Tamil Nadu Electricity Consumers' Association (TECA), is planning to conduct a Seminar on "*Power Trading through Power Exchange*" in the third week of May at Coimbatore.

Members having a sanctioned demand of **more than 1 MW** are encouraged to take advantage of this valuable opportunity to enhance their understanding of power procurement through power exchanges and the benefits it offers.

Members who are already procuring power through power exchanges are also requested to participate in this event and share their experiences, discuss the challenges faced, and explore ways to streamline and improve the process in the future.

The venue will be finalized upon receipt of responses from our members. We therefore request you to kindly share your feedback at the earliest.

We look forward to your enthusiastic participation and support in making this event a grand success.

Eligible members who are interested in participating in this event are requested to register their willingness by filling in the details through the link provided below:
