To All Members

CIRCULAR

Dear Members,

Subject: Advisory on Meter Calibration for WEGs/SPGs

It has come to our attention that the SE of Tirunelveli EDC has issued letters to select WEGs/SPGs, requesting meter calibration.

We advise members to verify the last calibration date of their meters. If the last calibration date has exceeded five years, please arrange for calibration through any NABL-approved agency. If the five-year period has not yet lapsed, you may request the SE to defer the calibration requirement.

For your reference, we are attaching a model letter that can be used to communicate with the concerned SE.

Thank you

With Warm Regards

N. Pradeep
President
