TECA:2023-24:CIR/069  
January 13, 2024

To All Members

### **CIRCULAR**

Dear members,

Sub: Solar Power-Bidding Price for the Purchase of the TANGEDCO at Rs.3.30/Unit-TNERC Orders-Regarding.

Ref: Hon'ble TNERC Order in R.P. No. 2 of 2023 in M.P. No.42 of 2022 dated 29.12.2023.

Please find enclosed the soft copy of TNERC cited above for the information of all members, who are invoicing for the encashment of the unutilized units of Solar Energy, on a month-on-month basis, by raising invoices on the 'bid rate' fixed by the TNERC from time to time.

This bid rate is the rate fixed by the TNERC, for the purchase of Solar Energy by the TANGEDCO from the Solar Power Generators. Accordingly, from 01.01.2024 onwards, if any invoice is raised on the TANGEDCO, towards the encashment of 75% of the unutilized energy, from their Solar Power Generator, they can make note of this order and can raise invoices at 75% of Rs.3.30/Unit, quoting the TNERC Order above cited. In the Tariff Order of TNERC dated 16.10.2020 it has been made as below.

**"5.5.8** After the billing period, the excess energy generated but not consumed, may be sold at the rate of 75% of the respective solar tariff fixed by the Commission in the respective orders to the generators and where no tariff is fixed at 75% of latest tariff discovered in the competitive bidding. If there are more than one tariffs discovered through bidding process, the weighted average tariff shall be considered for payment."

Hence, members can take note of the same, while raising invoices on the TANGEDCO for their unutilized Solar Power, on a month-on-month basis.

With Warm Regards

N. Pradeep  
President
