CIRCULAR

Dear Members,

Sub: Workshop to discuss the appointment of QCA for Solar Energy Forecasting and Scheduling-Regarding.

Ref: Our Circular No.77 dtd. 15.03.2024

As we already updated through our earlier Circular, M/s. RE Connect Energy is organizing a **Workshop on Solar Forecasting and Scheduling in Tamil Nadu**. This workshop will be held at **3.00 p.m.** Monday **11th March 2024**, at **Hotel Le Meridien**, Avinashi Road, Coimbatore.

M/s. RE Connect is likely to be appointed as Single State Level QCA for Solar Energy for TECA members.

A copy of the presentation in PPT is also attached herewith for the advanced understanding of members. Members are requested to participate in the Workshop by registering their names by using the below link.

<https://forms.gle/5ZWimh4z861ZANgR6>

Members are also requested to send their participation list to TECA through email.

Members who are having Solar Power Generators (SPGs) for Captive Consumption, can attend the Workshop to know more about their obligations under the new Regulations, and to have a hassle-free administration of the Solar Energy in Tamil Nadu.

As the Workshop is very important and focuses on various aspects of the current Regulation introduced by the TNERC in the matter of, Forecasting, Scheduling and Deviation Settlement Mechanism (DSM) for Solar Energy, we expect a maximum number of responses for the Workshop.

We are enclosing the Invitation as extended by M/s. RE Connect Energy along with PPT for the reference of our members.

With Warm Regards

N. Pradeep
President
