Dear Members,

Sub: Network Charges on Rooftop Solar – April 2025 CC Bills

Based on the communication from the Chief Financial Controller (Revenue) dated 05.05.2025, it appears that all Superintending Engineers (SEs) and Deputy Financial Controllers (DFCs) are currently declining to waive network charges on rooftop solar installations in the current consumption (CC) bills being issued for April 2025.

As the courts are presently closed for summer vacation, we advise members to remit the network charges Under Protest for this month. Upon the reopening of the courts on 2nd June 2025, TECA exploring on grounds to take appropriate legal action through both Contempt and Appeal Jurisdictions to safeguard member interests.

We will continue to keep members informed of further developments.

Warm regards,

Pradeep Natarajan  
President
