Subject: Power Interruption Details – Scheduled & Unscheduled

Dear Members,

Our members are informing that there are unscheduled power interruptions in several areas across various distribution circles.

In this context, we are requesting our members to submit a **monthly report** of interruptions in their service connections (both **scheduled and unscheduled**). The collective data will enable us to represent with the concerned authorities.

An **Excel format** for requiring details is enclosed for your convenience.

Members are requested to email us report to the following email addresses:

teca@tecaonline.in
tecatn@gmail.com

Kindly support with data for making suitable representation with authorities.

Warm regards,

L Santhosh
President
