Circular

To

All Members,

A few of members have informed that they are received a demand notice form concern S.E. stating to pay electricity tax to Government for purchase of power through Power Exchange at rate of 10 paise per unit.

In this regard we wish to inform you that the power purchased from Power Exchange is not liable to be taxed under Act 12 of 2003. Further, the word self-generation tax means to define only the power generated from 100% owned DG sets and windmills / solar plants

We request the members those who received such communication from SE may send a letter as the enclosed format by registered post and sent a copy to TECA

With regard to the notice received from Electrical inspector, we have already sent the format of letter vide our Circular No. 95 dtd.01.07.2019

With warm regards,

N. Pradeep
Secretary
