Dear Sir,

Members are aware that TANGEDCO has not fully utilizing the power generated through wind mills for various reasons.

In this connection Tamil Nadu Spinning Mills Association(TASMA) and Indian Wind Power Association (IWPA) have filed Writ Petitions before Hon'ble High Court seeking compensation from TANGEDCO / TANTRASCO for the losses accrued to the Wind Mill owners due to illegal enforcement of continued back outs and also direct TANGEDCO/TANTRASCO/SLDC to comply with 'Must Run' status already conferred upon Wind Energy Generators by enforcement of applicable Regulations and orders, by allowing the Wind Energy Generators operate to full capacity without curtailing Wind Energy generation and issuing dispatch instructions to Wind Energy Generators by procuring the maximum amount of wind energy generated without allowing the same to remain unutilized or forcing the Wind Energy Generators to back out /down.

Hon'ble High Court was pleased to pass an order dated 27.01.2014, transferring the entire matter to TNERC for hearing and dispose of the matter within a period of four weeks from the date of receipt of the High Court order.

We are enclosing herewith the order passed by Hon'ble High Court for your immediate reference.

With Warm Regards,

D Balasundaram
President
