Sub: Migration from EPA to EWA of WEGs / SPGs-CE-NCES issues further guidelines as how to comply with the orders of Hon'ble High Court-Regarding.

Ref: The Letter No. CE/NCES/SE/Solar/EE/WPP/AEE3/F. Migration/D. 353/2022 dated 28.06.2022 of the Chief Engineer-NCES, TANGEDCO.

Please find enclosed the soft copy of letter sent by CE-NCES, referred above for the information of members who have obtained orders from the Hon'ble High Court that they can migrate their WEGs / SPGs from EPA to EWA. The orders of the Hon'ble High Court also direct to clear the pending payments due to them within a specified period. As now instructions have been issued, both on migration as well as on payment of pending dues, members can follow the same with the SEs of the Generation Circles suitably both for getting the payment as well as to move their WEGs / SPGs from EPA to EWA.

It is also pertinent to note that the Board of TANGEDCO has approved such migrations, by its resolution passed on 07.06.2022, when it conducted the 107th Board Meeting. This resolution also supports the migration from EPA to EWA. To facilitate members to follow with the concerned Superintending Engineers of the Generation Circles, a list of WEGs / SPGs ordered to get migrated from EPA to EWA for the purpose notified, is sent herewith and accordingly, members concerned can follow the same suitably.

According to the information as assessed at TECA, the list has to be updated further, as the recent orders of the Hon'ble High Court have not been found acted up on to include such petitioners also in the list. However, as a general guideline is now issued, members seeking to migrate from EPA to EWA can follow the matter suitably on the strength of the Court orders they obtained

With Warm Regards
