Dear Sir,

The Government of India, Ministry of Power has proposed amendments to the Electricity Act, 2003 for consideration by the State Governments. A copy of the proposals is enclosed for your reference. The proposals are mostly progressive. They restrict the State Governments' powers and would be contested.

A note on my preliminary views on the proposals is enclosed.

We request our members to study this draft amendment and send us your valuable views and proposals for further action.

With Warm Regards,

D Balasundaram  
President
