May 24, 2025

To All Members

CIRCULAR

Dear Members

Sub: The modified instruction of the CFC Revenue in the matter of Levy of Network Charges

Ref: CFC Revenue communication in Letter No. CFC/REV/FC/REV/AO/REV/D.414/2025 dated 22.05.2025

Please find enclosed the copy of the modified instruction of the CFC Revenue for the information of our members. In his previous Circular dated 05.05.2025, the CFC Revenue directed that Network Charges be collected from all parties without considering the legal implications of the Ex-Parte Interim Order dated 28.04.2025, because it was issued solely for One Writ Petitioner, namely M/s. Sivasubramania Textiles.

Therefore, we advise our members to present the TECA membership certificate along with CFC Revenue's instructions to the appropriate DFCs and SEs and request them to stop charging network fees for their rooftop solar projects at this time.

We are closely watching the progress of this Writ Appeal and will do the necessary arrangements to protect our members.

With Warm Regards

Pradeep Natarajan
President
